

29th Student Delegation to Ometepe Island, Nicaragua: ~ June 25 – July 9, 2018

High school students from Bainbridge Island and neighboring communities interested in person-to-person interaction with Bainbridge's sister island community in Nicaragua are invited to apply to join the 29th student delegation to Ometepe.

Bainbridge Ometepe Sister Islands Association (BOSIA) has been taking students to Nicaragua since 1990. The primary goal of these delegations is to encourage hands-on cultural experiences to build deeper relationships between our students and the people of Ometepe. Students develop new perspectives on global issues while learning to communicate in Spanish. Our past student delegates agree that

this is an immensely powerful and unforgettable growth experience.

While on Ometepe, each delegate stays with a host family in a community, with up to six students and at least one Spanish-speaking chaperone placed in each town. Host families are not paid; rather, the students and chaperones "give back" by working with local community members in their host town on a community project.

COST is approximately \$2000 per delegate (dependent on price of airline tickets). This covers all expenses, including airfare. Host families on Ometepe provide a bed and simple meals for the delegates at no charge. Students pay for their own "extras" and souvenirs. Delegates may apply to BOSIA for partial scholarships based on need. The scholarships are funded by community contributions to BOSIA through One Call for All.
